Rule 41, Criminal Procedure, United States District Court.

Rule 41. Search and Seizure.—(a) Authority to issue warrant.——

A search warrant authorized by this rule may be issued by a judge of the United States or of a state or territorial court of record or by a United States commissioner within the district wherein the property sought is located.

(b) Grounds for issuance.——

A warrant may be issued under this rule to search for and seize any property

(1) Stolen or embezzled in violation of the laws of the United States; or

(2) Designed or intended for use or which is or has been used as the means of committing a criminal offense; or

(3) Possessed, controlled, or designed or intended for use or which is or has been used in violation of Title 18, U. S. C., § 957 (18 § 957).

(c) Issuance and contents.——

A warrant shall issue only on affidavit sworn to before the judge or commissioner and establishing the grounds for issuing the warrant. If the judge or commissioner is satisfied that grounds for the application exist or that there is probable cause to believe that they exist, he shall issue a warrant identifying the property and naming or describing the person or place to be searched. The warrant shall be directed to a civil officer of the United States authorized to enforce or assist in enforcing any law thereof or to a person so authorized by the President of the United States. It shall state the grounds or probable cause for its issuance and the names of the persons whose affidavits have been taken in support thereof. It shall command the officer to search forthwith the person or place named for the property specified. The warrant shall direct that it be served in the daytime, but if the affidavits are positive that the property is on the person or in the place to be searched, the warrant may direct that it be served at any time. It shall designate the district judge or the commissioner to whom it shall be returned.

(d) Execution and return with inventory.——

The warrant may be executed and returned only within 10 days after its date. The officer taking property under the warrant shall give to the person from whom or from whose premises the property was taken a copy of the warrant and a receipt for the property taken or shall leave the copy and receipt at the place from which the property was taken. The return shall be made promptly and shall be accompanied by a written inventory of any property taken. The inventory shall be made in the presence of the applicant for the warrant and the person from whose possession or premises the property was taken, if they are present, or in the presence of at least one credible person other

than the applicant for the warrant or the person from whose possession or premises the property was taken, and shall be verified by the officer. The judge or commissioner shall upon request deliver a copy of the inventory to the person from whom or from whose premises the property was taken and to the applicant for the warrant.

(e) Motion for return of property and to suppress evidence.——

A person aggrieved by an unlawful search and seizure may move the district court for the district in which the property was seized for the return of the property and to suppress for use as evidence anything so obtained on the ground that (1) the property was illegally seized without warrant, or (2) the warrant is insufficient on its face, or (3) the property seized is not that described in the warrant, or (4) there was not probable cause for believing the existence of the grounds on which the warrant was issued, or (5) the warrant was illegally executed. The judge shall receive evidence on any issue of fact necessary to the decision of the motion. If the motion is granted the property shall be restored unless otherwise subject to lawful detention and it shall not be admissible in evidence at any hearing or trial. The motion to suppress evidence may also be made in the district where the trial is to be had. The motion shall be made before trial or hearing unless opportunity therefor did not exist or the defendant was not aware of the grounds for the motion, but the court in its discretion may entertain the motion at the trial or hearing.

(f) Return of papers to clerk.——

The judge or commissioner who has issued a search warrant shall attach to the warrant a copy of the return, inventory and all other papers in connection

therewith and shall file them with the clerk of the district court for the district in which the property was seized.

(g) Scope and definition.

This rule does not modify any act, inconsistent with it, regulating search, seizure and the issuance and execution of search warrants in circumstances for which special provision is made. The term "property" is used in this rule to include documents, books, papers and any other tangible objects. (As amended Dec. 27, 1948.)
